

**ANNUAL LAND PRESERVATION TRAIL RIDE**  
**November 5, 2006**  
**The Hanlon House**

Enjoy the spectacular beauty of protected open spaces in northern Baltimore and Harford Counties for the benefit of The Manor Conservancy, the Harford Land Trust and the Deer Creek Watershed Association. The ride will pass through a varied terrain of farms, open fields, woodlands and stream valleys. Two rides are offered. A short ride will last an hour and is primarily a walking tour through the countryside. A three hour ride will travel through a portion of Elkridge-Harford's hunt country and offer a more active and energetic trip -walking, trotting and cantering and an occasional jump, if desired. Horses and riders should be fit and experienced enough for this type of ride. Freshly cooked and farm raised pit beef and ham, beverages and music will await riders at the finish. **Non-riders are invited to the post-ride festivities.**

The ride will start and finish at Hanlon House, 3929 Old York Road, Monkton, MD 21111 at 1:00 p.m., Sunday, November 5, 2006. Post-ride festivities will begin at 3:30 p.m. at the Hanlon House.

- \$60 per horse/rider combination
- \$40 for non-riding participants

All proceeds will benefit the three land trusts. Registration of riders is limited to the first 100 responses. There is no limit to the number of non-riders.

For further information, contact: Liz McKnight (410) 557-9273  
Eddie McLaughlin (410) 357-9947.

**R.S.V.P. BY OCTOBER 27, 2006.**
