

2021 Annual *Impact Report*

Dear friends,

If we've learned anything these past two years, it's how resilient our community can be in the face of adversity. From our staff to our members, sponsors, partners, and landowners—everyone has shown up and continued to support the work and mission of the Harford Land Trust.

Your support meant that we were ready to take action and protect more land than ever in 2021—over 1,000 acres.

With new staff, new board members, and a new office space, we are investing in the people and systems to carry us forward for the future.

Our community is turning to the land more every day. In addition to local food, clean water, and biodiversity, Harford Countians know that the land is working overtime to provide us with a sense of peace and normalcy too. Harford Land Trust is standing up for the land that everyone needs.

The next 30 years starts now. Thank you for joining the Harford Land Trust on this journey.
